

POLICY

SUBJECT: Poles, Joint Use of

POLICY: Any or all utilities desiring to use in any way, the poles belonging to the Cooperative, shall before making any attachment to said pole or poles, enter into a contract for a "Joint Use Agreement" with the Cooperative. The attachment fee will be set by the Cooperative.

In the event it is necessary to change, alter, relocate, remove or add to existing cooperative plant in order to accommodate foreign utilities, all work will be billed to the appropriate utility according to the time and materials used to complete the necessary alterations. Payment shall be received, except in cases of emergency, before work is commenced.

The Cooperative will not attach to or use the poles belonging to any other utilities without a signed agreement.

PROCEDURE: As outlined in Policy (see attached schedule)

RESPONSIBILITY: The Operations Manager

DELAWARE COUNTY ELECTRIC COOPERATIVE, INC.
