

## Rebates Available for Smart / Programmable Thermostats

Delaware County Electric Cooperative (DCEC) is now offering rebates for Smart/Programmable Thermostats. If you have purchased a Smart/Programmable Thermostat on or after January 1, 2021 and your are service class 1 (SC-1), service class (SC-2), or service class (SC-D) than you are eligible for a \$500 rebate.

To receive the rebate you must submit the rebate application on the next page with proof of purchase such as your itemized receipt with manufacturer name, model, serial number.

\*Limit of one rebate per account per year.

*Please note that this program is subject to change due to the availability of funds. To confirm the program details, please call (607) 746-2341.*
